RE: CSX Transportation, Inc.
Proposed Line Abandonment
Floyd County, Kentucky
Docket AB-55 (Sub-No. 627X)

Dear Mr. Morgan:

Enclosed please find original, color photographs of the three bridges which have the potential for registry as historical landmarks on the CSX rail line between Salisbury (near Printer) and end of track at Clear Creek Junction (near Hi Hat), Floyd County, Kentucky. These bridges were identified in the CSX Transportation Historical Report sent to your attention and dated December 18, 2002.

I would appreciate receiving a letter confirming that this project will have no impact upon cultural resources from your office. If you have questions, please feel free to call me.

Sincerely,
